***Bidding Using Parity***

Prospective bidders wishing to submit an electronic bid via Parity must be contracted customers of Parity. Prospective bidders who do not have a contract with Parity must call (212) 849-5021 to become a customer. By submitting an electronic bid for the Notes, a bidder represents and warrants to the Town that such bidder's bid for the purchase of the Notes is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Notes.

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Parity. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Town nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the Town nor Parity shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Parity. The Town is using Parity as a communications mechanism, and not as the Town's agent, to conduct the electronic bidding for the Town's Notes. The Town is not bound by any advice or determination of Parity as to whether any bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Parity are the sole responsibility of the bidders, and the Town is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Notes, it should telephone Parity and notify the Town's Municipal Advisor, Munistat Services Inc. at (631) 331-8888 (provided that the Town shall have no obligation to take any action whatsoever upon receipt of such notice).

If any provisions of this Notice of Sale shall conflict with information provided by Parity, as approved provider of electronic bidding services, this Notice of Sale shall control. Further information about Parity, including any fee charged, may be obtained from Parity at (212) 849-5021. The time maintained by Parity shall constitute the official time with respect to all bids submitted.

***Purpose of the Notes***

The Note is being issued pursuant to two bond resolutions adopted by the Town Board, authorizing the issuance of bonds by the Town for various purposes as shown below.

		<u>\$1,310,000</u>	<u>\$50,000</u>	<u>\$1,260,000</u>

***Payment and Security for the Notes***

Said Notes are general obligations of the Town and the faith and credit of such Town are pledged for payment of the principal of and interest on such Notes. All the taxable real property in said Town will be subject to the levy of ad valorem taxes sufficient to pay the principal of and interest on the Notes, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended. The State Constitution requires the Town to pledge its faith and credit for the payment of the principal of the Notes and the interest thereon and to make annual appropriations for the amounts required for the payment of such interest and the redemption of the Notes.

### ***Award of Notes***

The Notes will be awarded and sold to the bidder complying with the terms of sale and offering to purchase the Notes at the lowest net interest cost, and if two or more such bidders offer the same lowest net interest cost, then to one of said bidders offering to purchase the largest par amount of the Notes and if all of said bidders offer the same net interest cost and offer to purchase the same par amount, then to the one of said bidders selected by the Sale Officer by lot from among all said bidders.

The right is reserved by the Town to award to any bidder all or any part of the Notes which such bidder offers to purchase and, in the event of a partial award, the premium, if any, specified by such bidder will be pro-rated.

Award of the Notes is expected to be made promptly after opening of the bids, but the successful bidder may not withdraw its proposal until after 3:00 o'clock P.M. (Prevailing Time) on the day of such bid opening and then only if such award has not been made prior to the withdrawal. The Notes will be delivered and shall be paid for on or about the Date of Notes at such place and on such business day and at such hour, as the Sale Officer and successful bidder shall mutually agree.

### ***Form of the Notes***

The Notes will be issued in registered form and, at the option of the purchaser, the Notes will be either (i) registered in the name of the successful bidder or (ii) registered to Cede & Co., as the partnership nominee for The Depository Trust Company, New York, New York ("DTC") as book-entry notes.

If the Notes are registered in the name of the successful bidder, a single note certificate will be issued for those Notes bearing the same rate of interest in the aggregate principal amount awarded to the successful bidder at such interest rate. Principal of and interest on such Notes will be payable in Federal Funds by the Town, at such bank or trust company located and authorized to do business in the State of New York as selected by the successful bidder.

If the Notes are issued in book-entry form, such notes will be delivered to DTC, which will act as securities depository for the Notes. Beneficial owners will not receive certificates representing their respective interests in the Notes. Individual purchases may be made in denominations of \$100,000 or integral multiples thereof, except for one necessary odd denomination. A single note certificate will be issued for those Notes bearing the same rate of interest and CUSIP number in the aggregate principal amount awarded to such purchaser at such interest rate. Principal of and interest on said Notes will be paid in Federal Funds by the Town to Cede & Co., as nominee for DTC, which will in turn remit such principal and interest to its participants for subsequent distribution to the beneficial owners of the Notes as described herein. Transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Town will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

CUSIP identification numbers will be printed on the book-entry Notes if Bond Counsel is provided with such numbers by the close of business on the Sale Date of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery and pay for the Notes in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the Town; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser. DTC is an automated depository for securities and a clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry-only system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfer of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may be made only through book entries made on the books and records of DTC (or a successor depository) and its participants.

The Town will act as Fiscal Agent for the Notes issued in book-entry form. For those Notes issued as certificated debt, the purchaser will be, or named, Fiscal Agent. Paying Agent fees, if any, will be paid by the purchaser. The Town's contact information is as follows: Robert Valentine, Supervisor, Town of Chester, 1786 Kings Highway, Chester, New York 10918, telephone number 845/469-7000, email: rvalentine@thetownofchester.org.

### ***Delivery of the Notes***

Said Notes will be delivered on or about the Date of Notes, referred to herein, at no cost to the purchaser, in New York, New York or otherwise as may be agreed with the purchaser; however, if the Notes are issued in book-entry only form, said Notes will be delivered to DTC, Jersey City, New Jersey. The purchase price of said Notes shall be paid in FEDERAL FUNDS or other funds available for immediate credit on said delivery date.

### ***Legal Opinion***

The proposed form of the approving legal opinion of Bond Counsel is set forth in Appendix A hereto.

### ***Tax Exemption***

The successful bidder may at its option refuse to accept the Notes if prior to their delivery the opinion of Hawkins Delafield & Wood LLP ("Bond Counsel") is not delivered or if any income tax law of the United States of America is hereafter enacted which shall provide that the interest thereon is taxable, or shall be taxable at a future date, for federal income tax purposes, and in such case said successful bidder will be relieved of their contractual obligations arising from the acceptance of their proposal.

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Notes in order that interest on the Notes be and remain excludable from gross income under Section 103 of the Code. Concurrently with the delivery of the Notes, the Town will execute and deliver a Tax Certificate, which will contain provisions and procedures relating to compliance with the requirements of the Code and a certification to the effect that the Town will comply with the provisions and procedures set forth therein and that it will do and perform all acts and things necessary or desirable to assure that interest paid on the Notes is excludable from gross income under Section 103 of the Code.

See Appendix A hereto for the proposed form of approving opinion.

### ***Bank Qualification***

The Town will designate the Notes as "qualified tax-exempt obligations" pursuant to the provisions of Section 265(b)(3) of the Code.

### ***Obligation of Winning Bidder to Deliver an Issue Price Certificate at Closing***

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Notes, is a good faith offer which the bidder believes reflects current market conditions, and is not a "courtesy bid" being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the "issue price" of the Notes pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirements"). The Municipal Advisor will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Notes. **Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.**

The winning bidder shall, within one (1) hour after being notified of the award of the Notes, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Notes (the “Initial Reoffering Prices”) as of the date of the award.

By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Notes for its own account and not with a view to distribution or resale to the public) that if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. *Such election must be made on the bid form submitted by each bidder. In the event a bidder submits a bid via Parity, such bidder must notify the Municipal Advisor by email (nnadelson@munistat.com) as to such election at the time such bid is submitted.*

(1) **Hold the Price.** The winning bidder:

(a) will make a bona fide offering to the public of all of the Notes at the Initial Reoffering Prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell to any person any Notes within a maturity at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least 10 percent of the Notes of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the 5th business day after the date of the award of the Notes, and

(c) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Notes as set forth above.

(2) **Follow the Price.** The winning bidder:

(a) will make a bona fide offering to the public of all of the Notes at the Initial Reoffering Prices and provide the Issuer with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Issuer information regarding the first price that at least 10 percent of the Notes within each maturity of the Notes have been sold to the public,

(c) will provide the Issuer with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Notes, will continue until such date the requirement set forth in paragraph (b) above for each maturity of the Notes is satisfied, and

(d) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

For purposes of the “hold the price” or “follow the price” requirement, a “maturity” refers to Notes that have the same interest rate, credit and payment terms.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Issuer a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Notes stating the applicable facts as described above. The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Municipal Advisor.

If the winning bidder has purchased the Notes for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which the purchase of the Notes was made.

For purposes of this Notice, the “public” does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Notes to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Notes to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Notes.

### ***Documents Accompanying the Delivery of the Notes***

The obligation hereunder to deliver or accept the Notes pursuant hereto shall be conditioned on the delivery to the successful bidder at the time of delivery of the Notes of: (i) the opinion of Bond Counsel; (ii) a certificate of the Town Attorney, dated the date of delivery of the Notes, to the effect that there is no controversy or litigation of any nature pending or threatened to restrain or enjoin the issuance, sale, execution or delivery of the Notes, or in any way contesting or affecting the validity of the Notes or any of the proceedings taken with respect to the issuance and sale thereof or the application of moneys to the payment of the Notes, and further stating that there is no controversy or litigation of any nature now pending or threatened by or against the Town wherein an adverse judgment or ruling could have a material adverse impact on the financial condition of the Town or adversely affect the power of the Town to levy, collect and enforce the collection of taxes or other revenues for the payment of its Notes; (iii) a certificate signed by the Town Supervisor evidencing payment for the Notes; (iv) a signature certificate evidencing the due execution of the Notes, including statements that (a) no litigation of any nature is pending or, to the knowledge of the signers, threatened, restraining or enjoining the issuance and delivery of the Notes or the levy and collection of taxes to pay the principal of and interest thereon, nor in any manner questioning the proceedings and authority under which the Notes were authorized or affecting the validity of the Notes thereunder, (b) neither the corporate existence or boundaries of the Town nor the title of the signers to their respective offices is being contested, and (c) no authority or proceedings for the issuance of the Notes have been repealed, revoked or rescinded, and (v) a Tax Certificate executed by the Town Supervisor.

**FORM OF BOND COUNSEL OPINION**

## FORM OF OPINION OF BOND COUNSEL

Hawkins Delafield & Wood LLP  
7 World Trade Center  
250 Greenwich Street  
New York, New York 10007

November 3, 2021

The Town Board of the  
Town of Chester, in the  
County of Orange, New York

Ladies and Gentlemen:

We have acted as Bond Counsel to the Town of Chester (the “Town”), in the County of Orange, a municipal corporation of the State of New York, and have examined a record of proceedings relating to the authorization, sale and issuance of the \$1,260,000 Bond Anticipation Notes– 2021 (the “Notes”) of the Town dated and delivered on the date hereof.

In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with originals of all documents submitted to us as copies thereof. Based upon and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Notes are valid and legally binding general obligations of the Town for which the Town has validly pledged its faith and credit and, unless paid from other sources, all the taxable real property within the Town is subject to the levy of ad valorem real estate taxes to pay the Note and interest thereon, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended. The enforceability of rights or remedies with respect to such Note may be limited by bankruptcy, insolvency, or other laws affecting creditors’ rights or remedies heretofore or hereafter enacted.

2. Under existing statutes and court decisions and assuming continuing compliance with certain tax certifications described herein, (i) interest on the Notes is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and (ii) interest on the Notes is not treated as a preference item in calculating the alternative minimum tax under the Code.

The Code establishes certain requirements that must be met subsequent to the issuance of the Notes in order that the interest on the Notes be and remain excludable from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to the use and expenditure of proceeds of the Notes, restrictions on the investment of proceeds of the Notes prior to expenditure and the requirement that certain earnings be rebated to the federal government. Noncompliance with such requirements may cause the interest on the Notes to become subject to federal income taxation retroactive to the date of issuance thereof, irrespective of the date on which such noncompliance occurs or is ascertained.

On the date of issuance of the Notes, the Town will execute a Tax Certificate relating to the Notes containing provisions and procedures pursuant to which such requirements can be satisfied. In executing the Tax Certificate, the Town represents that it will comply with the provisions and procedures set forth therein and that it will do and perform all acts and things necessary or desirable to assure that the interest on the Notes will, for federal income tax purposes, be excluded from gross income.

In rendering the opinion in this paragraph 2, we have relied upon and assumed (i) the material accuracy of the Town's certifications, statements of intention and reasonable expectations, and certifications of fact contained in the Tax Certificate with respect to matters affecting the status of the interest on the Notes, and (ii) compliance by the Town with the procedures and certifications set forth in the Tax Certificate as to such tax matters.

3. Under existing statutes, interest on the Notes is exempt from personal income taxes of New York State and its political subdivisions, including The City of New York.

We express no opinion as to any other federal, state or local tax consequences arising with respect to the Notes, or the ownership or disposition thereof, except as stated in paragraphs 2 and 3 above. We render our opinion under existing statutes and court decisions as of the date hereof, and assume no obligation to update, revise or supplement our opinion to reflect any action hereafter taken or not taken, any fact or circumstance that may hereafter come to our attention, any change in law or interpretation thereof that may hereafter occur, or for any other reason. We express no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, we express no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters, including, without limitation, exclusion from gross income for federal income tax purposes of interest on the Notes.

We give no assurances as to the adequacy, sufficiency or completeness of any proceedings, reports, correspondence, financial statements or other documents, containing financial or other information relative to the Town, which have been or may hereafter be furnished or disclosed to purchasers of ownership interests in the Notes.

Very truly yours,
