**Telephone Proposals Bidding Procedure.** Telephone proposals for the purchase of the Notes must be given by telephone to the Town's municipal advisor, Ms. Susan Caron, Vice President, Munistat Services,

Inc. at 860-372-1887 by **11:25 A.M. (Eastern Time), on Thursday, July 21, 2022** in order to ensure compliance with the 11:30 A.M. (Eastern Time) bid deadline.

**Electronic Proposals Bidding Procedure.** Electronic proposals for the purchase of the Notes must be submitted through the facilities of PARITY by **11:30 A.M. (Eastern Time), on Thursday, July 21, 2022**. Any prospective bidder must be a subscriber of Bidcomp's competitive bidding system. Further information about Bidcomp/ PARITY, including any fee charged, may be obtained from i-Deal LLC, 1359 Broadway, 2<sup>nd</sup> Floor, New York, New York 10018, (telephone (212) 849-5021). The Town will neither confirm any subscription nor be responsible for any failure of a prospective bidder to subscribe.

Once an electronic proposal made through the facilities of PARITY is communicated to the Town, it shall constitute an irrevocable offer, in response to this Notice of Sale, and shall be binding upon the bidder as if made by a signed, sealed proposal delivered to the Town. By submitting a proposal for the Notes via PARITY, the bidder represents and warrants to the Town that such bidder's proposal for the purchase of the Notes is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the prospective bidder by an irrevocable offer and that acceptance of such proposal by the Town will bind the bidder by a legal, valid and enforceable contract, for the purchase of the Notes on the terms described in this Notice of Sale. The Town shall not be responsible for any malfunction or mistake made by, or as a result of the use of the facilities of, PARITY, the use of such facilities being the sole risk of the prospective bidder.

**Disclaimer-** Each PARITY prospective electronic bidder shall be solely responsible to make necessary arrangements to access PARITY for the purposes of submitting its proposal in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Town nor PARITY shall have any duty or obligation to undertake such arrangements to bid for any prospective bidder or to provide or assure such access to any prospective bidder, and neither the Town nor PARITY shall be responsible for a bidder's failure to make a proposal or for proper operation of, or have any liability for, any delays or interruptions of, or any damages caused by, PARITY. The Town is using PARITY as a communication mechanism, and not as the Town's agent, to conduct the electronic bidding for the Notes. The Town is not bound by any advice and determination of PARITY to the effect that any particular proposal complies with the terms of this Notice of Sale and in particular the proposal requirements set forth herein. All costs and expenses incurred by prospective bidders in connection with their subscription to, arrangements with and submission of proposals via PARITY are the sole responsibility of the bidders, and the Town is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in arranging to bid or submitting, modifying or withdrawing a proposal for the Notes, the prospective bidder should telephone PARITY at (212) 849-5021. If any provision of this Notice of Sale shall conflict with information provided by PARITY, this Notice of Sale shall control.

For the purpose of the bidding process, the time as maintained on PARITY shall constitute the official time. For information purposes only, bidders are requested to state in their proposals the net interest cost to the Town, as described under "Basis of Award" below, represented by the rate or rates of interest and the premium, if any, specified in their respective proposals. All electronic proposals shall be deemed to incorporate the provisions of this Notice of Sale.

**Proposals.** Proposals may be made for all or any part of the Notes, but any proposal for a part must be for \$100,000 or a whole multiple thereof, and a separate proposal will be required for each part of the Notes for which a separate interest rate is bid. No proposal for less than the minimum denomination or for less than par and accrued interest will be accepted. Each proposal must specify the amount bid for the Notes (which shall be the aggregate par value of the Notes, and, at the option of the bidder, a premium), and must specify one rate of interest in a multiple of one-hundredth (1/100) of one percent (1%) per

annum for each part of the Notes bid for in the proposal. Interest shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

**Basis of Award.** As between proposals which comply with this Notice of Sale, the Notes will be sold to the responsible bidder or bidders offering to purchase the Notes at the lowest net interest cost to the Town, which will be determined by computing as to each interest rate stated the total interest to be payable at such rate and deducting therefrom any premium. If there is more than one responsible bidder making an offer to purchase all or any portion of the Notes at the same lowest net interest cost, the Notes will be sold to the responsible bidder with the proposal for the largest principal amount of the Notes specified. If more than one responsible bidder makes an offer to purchase all or any portion of the Notes at the same lowest net interest cost and for the same largest principal amount of the Notes specified, the Notes or any portion thereof will be sold to the responsible bidder who is chosen by lot. If a bidder is awarded only a part of the Notes, any premium offered in such proposal will be proportionately reduced so that the resulting net interest cost to the Town with respect to the Notes awarded is the same as that contained in the bidder's proposal with respect to the entire amount bid, carried to four decimal places. It is requested that each proposal be accompanied by a statement of the percentage of net interest cost completed to four decimal places. Such statement shall not be considered as part of the proposal.

The Town reserves the right to reject any and all proposals and to waive any irregularity or informality with respect to any proposal.

**Qualified Tax-Exempt Obligations.** The Notes will not be designated by the Town as “qualified tax-exempt obligations” for purposes of the deduction for federal income tax purposes by financial institutions of a portion of interest expense allocable to tax-exempt obligations.

**Bond Counsel Opinion.** The legal opinion of Shipman & Goodwin LLP of Hartford, Connecticut, Bond Counsel, will be furnished without charge and will be placed on file with the certifying bank for the Notes. A copy of the opinion will be delivered to each purchaser of the Notes. The opinion of Bond Counsel will cover the following matters: (1) that the Notes will be valid and binding general obligations of the Town when duly certified, (2) that, assuming the accuracy of and continuing compliance by the Town with its representations and covenants relating to certain requirements contained in the Internal Revenue Code of 1986, as amended (the “Code”), based on existing law, interest on the Notes is excludable from gross income of the owners thereof for federal income tax purposes and is not treated as an item of tax preference for purposes of calculating the federal alternative minimum tax, and (3) that interest on the Notes is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates, and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax.

**Obligation to Deliver Issue Price Certificate.** Pursuant to the Code and applicable Treasury Regulations, the Town must establish the “issue price” of the Notes. **In order to assist the Town, the winning bidder is obligated to deliver to the Town a certificate (an “Issue Price Certificate”) and such additional information satisfactory to Bond Counsel described below, prior to the delivery of the Notes.** The Town will rely on the Issue Price Certificate and such additional information in determining the issue price of the Notes. The form of Issue Price Certificate is available by contacting Ms. Susan Caron, Vice President, Munistat Services, Inc., Email: [susan.caron@munistat.com](mailto:susan.caron@munistat.com), Telephone: (860) 372-1887, municipal advisor to the Town (the “Municipal Advisor”).

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Notes, is a good faith offer which the bidder believes reflects current market conditions, and is not a “courtesy bid” being submitted for the purpose of assisting in meeting the competitive sale rule relating to the establishment of

the issue price of the Notes pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Rule”).

The Municipal Advisor will advise the winning bidder if the Competitive Sale Rule was met at the same time it notifies the winning bidder of the award of the Notes. **Bids will not be subject to cancellation in the event that the Competitive Sale Rule is not satisfied.**

***Competitive Sale Rule Met.*** If the Municipal Advisor advises the winning bidder that the Competitive Sale Rule has been met, the winning bidder shall, within one (1) hour after being notified of the award of the Notes, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial offering price to the public of each maturity of the Notes as of July 21, 2022 (the “Sale Date”).

***Competitive Sale Rule Not Met.*** By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Notes for its own account and not with a view to distribution or resale to the public) that if the Competitive Sale Rule is not met, it will satisfy either the **10% Sale Rule** or the **Hold the Offering Price Rule** described below with respect to each maturity of the Notes prior to the delivery date of the Notes. The rule selected with respect to each maturity of the Notes shall be set forth on an Issue Price Rule Selection Certificate, which shall be sent to the winning bidder promptly after the award of the Notes. The winning bidder shall complete and execute the Issue Price Rule Selection Certificate and email it to Bond Counsel and the Municipal Advisor by 5:00 P.M. Eastern Time on the day after the Sale Date. **If the Issue Price Rule Selection Certificate is not returned by this deadline, or if no selection is made with respect to maturity, the winning bidder agrees that the Hold the Offering Price Rule shall apply to such maturities.**

**10% Sale Rule.** To satisfy the 10% Sale Rule for any maturity, the winning bidder:

(i) will make a bona fide offering to the public of all of the Notes at the initial offering prices and provide the Town with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel;

(ii) will report to the Town information regarding the actual prices at which at least 10 percent (10%) of the Notes of each maturity have been sold to the public;

(iii) will provide the Town with reasonable supporting documentation or certifications of such sales prices, the form of which is acceptable to Bond Counsel. If the 10% Sale Rule is used with respect to a maturity of the Notes, this reporting requirement will continue, beyond the closing date of the Notes, if necessary, until such date that at least 10 percent (10%) of such maturity of the Notes has been sold to the public; and

(iv) has or will include in any agreement among underwriters, selling group agreement or retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

**Hold the Offering Price Rule.** To satisfy the Hold the Offering Price Rule for any maturity, the winning bidder:

(i) will make a bona fide offering to the public of all of the Notes at the initial offering prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel;

(ii) will neither offer nor sell to any person any Notes of such maturity at a price that is higher than the initial offering price of each maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least ten percent (10%) of the Notes of such maturity at a price that is no higher than the initial offering price of such maturity or (ii) the close of business on the fifth (5<sup>th</sup>) business day after the Sale Date of the Notes; and

(iii) has or will include within any agreement among underwriters, selling group agreement or retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Notes as set forth above.

For purposes of the 10% Sale Rule or the Hold the Offering Price Rule, a “maturity” refers to Notes that have the same interest rate, credit and payment terms.

If the winning bidder has purchased any maturity of the Notes for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Rule was met, the Issue Price Certificate will recite such facts and identify the price or prices at which such maturity of the Notes was purchased.

For purposes of this Notice of Sale, the “public” does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Notes to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Notes to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Notes.

**Preliminary Official Statement and Official Statement.** The Town has prepared a Preliminary Official Statement dated July 12, 2022 for this Note issue. The Town deems such Preliminary Official Statement final as of its date for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), except for omissions permitted thereby, but the Preliminary Official Statement is subject to revision or amendment. The Town will make available to each winning purchaser a reasonable number of copies of the final Official Statement at the Town’s expense by the delivery of the Notes or, if earlier, by the seventh business day after the day proposals on the Notes are received. The purchaser shall arrange with the Municipal Advisor the method of delivery of the copies of the final Official Statement to the purchaser. Additional copies may be obtained by the purchaser at its own expense by arrangement with the printer.

**CUSIP Numbers.** The deposit of the Notes with DTC under a book-entry-only system requires the assignment of CUSIP numbers prior to delivery. It shall be the responsibility of the Town’s Municipal Advisor, Munistat Services, Inc., to apply for CUSIP numbers for the Notes by no later than one business day after dissemination of this Notice of Sale. Munistat Services, Inc. will provide CUSIP Global Services with the final details of the sale of the Notes in accordance with Rule G-34 of the Municipal Securities Rulemaking Board, including the identity of the winning purchaser. The Town will not be responsible for any delay caused by the inability to deposit the Notes with DTC due to the failure of Munistat Services, Inc. to obtain such numbers and provide them to the Town in a timely manner. The Town assumes no responsibility for any CUSIP Service Bureau charge or other charge that may be

imposed for the assignment of such numbers, which charges shall be the responsibility of and shall be paid for by the purchaser.

**Continuing Disclosure Agreement.** The Town will agree, in a Continuing Disclosure Agreement entered into in accordance with the requirements of Securities and Exchange Commission Rule 15c2-12(b)(5), to provide timely, but not in excess of ten (10) business days after the occurrence of the event, notice of the occurrence of certain listed events with respect to the Notes. The winning purchaser's obligation to purchase the Notes shall be conditioned upon its receiving, at or prior to the delivery of the Notes, an executed copy of the Continuing Disclosure Agreement for the Notes.
